ZAMBIAN DEVELOPMENT SUPPORT FOUNDATION
HABITAT COMMUNITY LIBRARY

Report

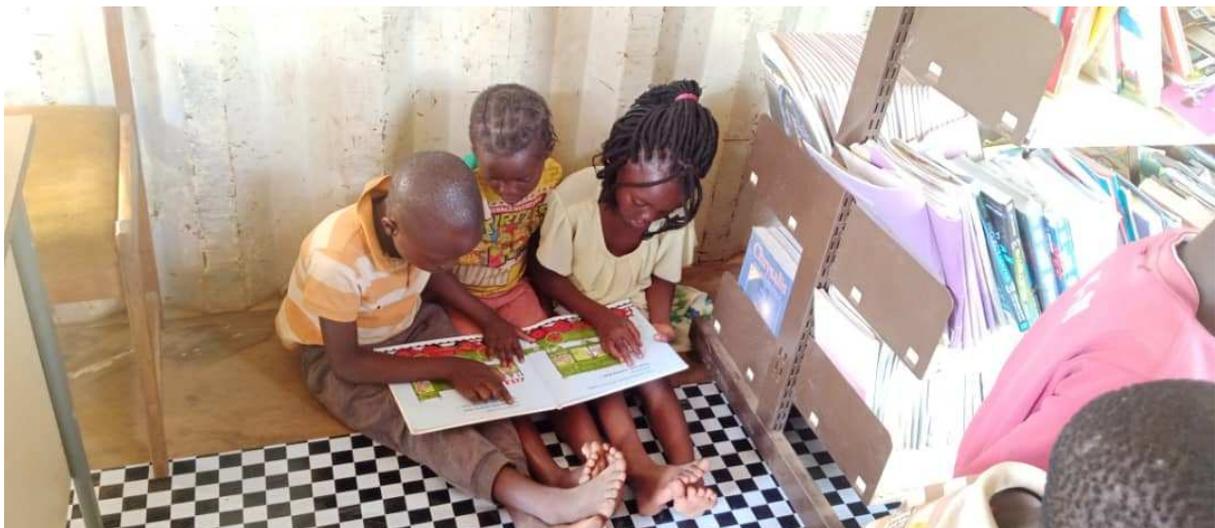

The week began on the 20th of June, 2022. The library opened at 08 and closed at 17. With a total number of 19 readers with more grade 7 coming through from different schools. As librarians we have continued with literacy programs of improving reading in the readers we have come up with reading and spelling competition. With an overwhelming response coming from different parts of the community.

On Tuesday there were 37 readers that came through with more grade 7 from different

schools with a total of 13 and seconded by grade 4 with a total of 9. What is impressive is that new readers keep coming from different parts of the community and schools.

On Wednesday the Library was opened in the Morning and closed at 17. With a total of 52 readers. More of these readers where Grade 2 from different schools. Also

Solutions Christian Academy a school that has signed for Loan book rotation brought back the 16 books they borrowed and

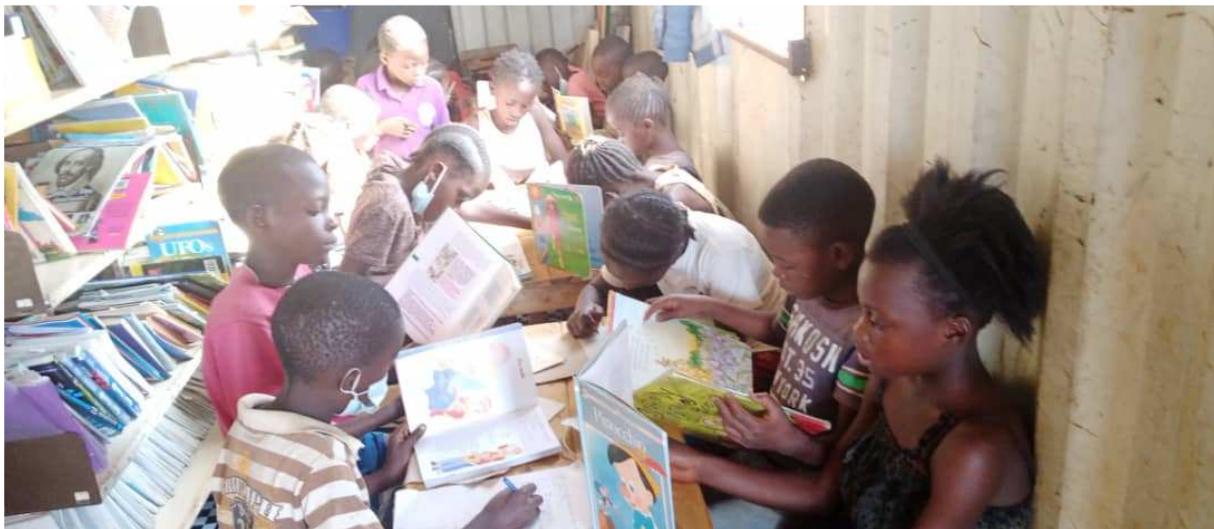

expressed gratitude on how the program has been able to help their learners and also the learners have showing real interest in reading. On this very day we received 6 chair tables. With the chair tables the library is able to accommodate more readers and even readers are able to write without challenges.

On Thursday the library had more readers with a total of 63 readers that came through. On this day more Early Childhood readers came through which is very impressive.

On Friday the library was open in the morning and closed in at 17. 85 readers came through.

On Saturday the library was open at 8 and closed at 12. With more activities teaching word pronunciation and word reading.

There has been a lot of activities and impressive increase in numbers that are coming through from different parts of the community and also schools. Also the

reading program in schools have brought positive results as the teachers have shown major interest in helping their learners improve their skill. The chairs have really helped the learners.
